

BEANS - Bug #4388

Make BEANS to work with other databases too (not only with cassandra)

2016-09-16 11:30 AM - Arkadiusz Hypki

Status:	New	Start date:	2016-09-16
Priority:	High	Due date:	
Assignee:	Arkadiusz Hypki	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	1.2.0	Spent time:	0.00 hour
Description			
- store BEANS data in cassandra and mapdb as examples - make connectors to different databases
